

# I AM YOUR POLICY

*You and I have similar purposes in this world.*

*It is your job to provide food, clothing, shelter, medicine, sundry and other essential items for your loved ones; you do this while I lie in your desk drawer.*

*I have faith and trust in you. Out of your earnings will come the cost of my upkeep. At times, I may appear to be worthless to you – but some day (and who knows when) you and I will change places.*

*When you are laid to rest, I will come alive and do your job. I will provide the funds necessary for your final resting place and guarantee that your loved ones will not be burdened. I can also provide food, clothing, shelter, medicine, and other essential items your family will continue to need – just as you are doing now. When your work is done and your afterlife begins, my work will begin. Through me, your hands will carry on and so will your legacy.*

*Whenever you feel the price you are paying for my upkeep is burdensome, remember that I will do more for you and your family than you ever can do for me.*

*If you do your part, I will do mine.*

*Sincerely,*
